

375 liter pressure tank, AISI 316

price: € 5.850,00

1 Item in Stock

General Information

condition	used
-----------	------

Vessel

volume	375 liter
vacuum	1.00 bar
max. excess pressure	2.50 bar
max. allowable working temperature	144 °C
construction	standing
stand type	on wheels moveable cage
quantity legs	3 Piece

Insulation

insulation	available
insulating jacket	hermetically welded
material insulation jacket	stainless steel

Technical Characteristics

diameter inside	690 mm
diameter outside	800 mm
cylindrical height	800 mm
total height	1900 mm
year of construction	2001

Equipment

manhole	in the upper bottom
nameplate	Yes
technical equipment	control cabinet (without guarantee)
outlet	available
latest application	pharmaceutics
